Gates & Railings
Aluminium & Stainless Steel Products

Alumax UK is a supplier of:

- Aluminium & PVC Gates
- Gate Automation Kits
- Stainless Steel Railings
- Stainless Steel Fittings For DIY
- Glass Balustrade Systems
- Handrail Systems
- Aluminium Railings

Gates available in standard colours or wood colours

Aluminium & PVC Gates

Low maintenance aluminium & PVC gates will give many years of low maintenance life without the need for continuous painting or varnishing and will stand up to harsh weather conditions.

Also available is matching fencing to compliment your gate.

All gates can be automated if needed.

Standard RAL & wood colours available, see website for details

The first thing people see when they arrive at the front of your property is your gate.

These gates can all be either pedestrian, double driveway opening or sliding.

Traditional gates can be bespoke and a wide range of finials can be chosen to personalise your gate.

Traditional & Contemporary styles available.

Aluminium & Glass Railings

Aluminium railings with either tube or glass panel infill will not just look good and enhance the appearance of your property, they will look good for a long time as they will not rust or rot and are supplied powder coated in many RAL colours to choose from.

These are ideal for balconies, staircases and decked areas.

- Handrails in aluminium or wood
- Handrail brackets
- Glass balustrades
- Juliet railings
- Pool enclosures
- Window guards

All these products are suitable for internal and external use.

And can be installed by a competent person or your local builder.

Send us your project plans / details and we will provide an estimate for you without obligation.
